Hae Rang... how was Mu Hyul...?
He was absent again.
And no one has heard from him...?
No.
Why aren't you doing anything? Aren't you his friend?
Can you try talking to dad?
I'm staying out of this...
And to tell you the truth, I wished you'd give up on Mu Hyul.
...Hae Ri is my twin.
So if she finds out I'm helping you,

She'll be hurt.
Friendship is important, but I'm more concerned about Hae Ri.
You and Mu Hyul have each other...
But Hae Ri was rejected and left by herself.
Yes...
You're right...
If you win the youth festival contest... I'll grant you one wish.
But in order to do that... you're going to need strength.
sfx: flinch
... So eat your food.

Hae Rang... even though you tell me you're on my side... you're only making an excuse to get closer to Bo Eun.
The whole family is slowly turning towards Bo Eun.
Grandfather changed his mind as soon as he learned the truth...
But that's because I thought everything would end after I brought Mu Hyul down with me.
I said I wouldn't regret anything..

Mom and dad have always been kind to me...
And even though we fought, Hae Rang and I were still close.
At first, I didn't want you to take Mu Hyul from me...
But now, I don't want you to take my family either.
If only I don't have to give them back to you... if only you didn't have to take them away...
탁
If Bo Eun is gone, then nothing will need to change.
sfx: closes

It's hot...
It's hot...
...Hae Ri... don't let her take it from you.
You have to protect yourself.
You have to find vengeance for your real father, who died because of Mu Hyul and Bo Eun.

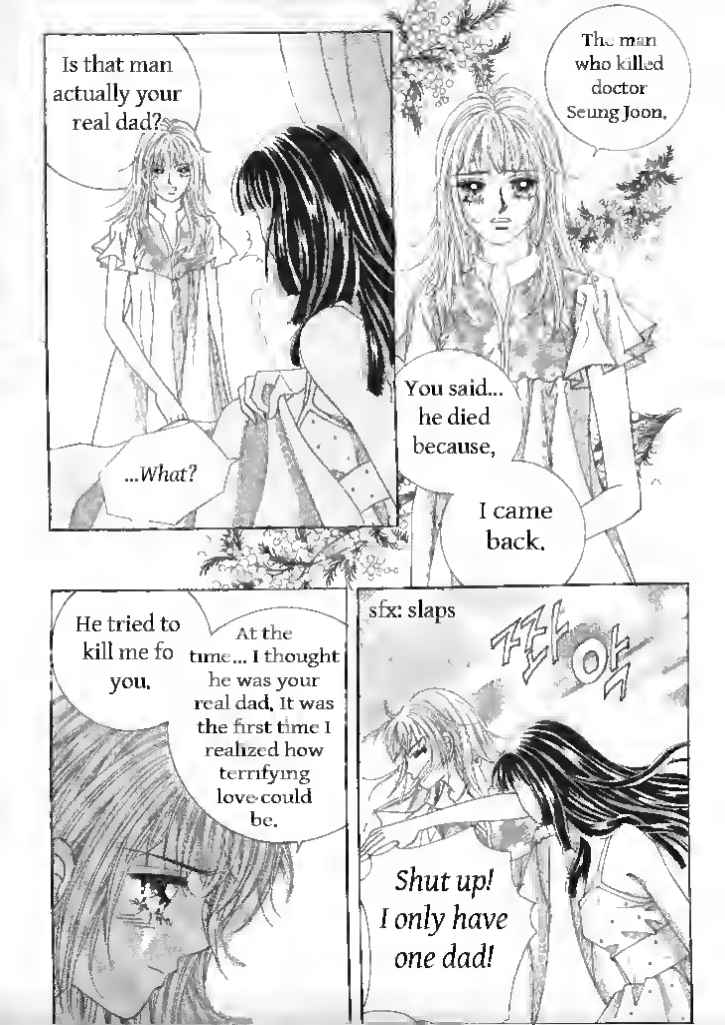
Revenge...
You looked like you were having a nightmare. Are you okay?
토닥
토닥
W-what? Why are you in my room?
sfx: gasp
sfx: pats
I was heading to the garden for some fresh air... then I heard you talking.
You kept saying that you were hot...
You seem pretty energetic for a starving person.
Or are you sleepwalking...?
토닥
Get your hands off me. You should be sleeping.
sfx: pats

You... don't like it?
I always feel better when dad pats my head.
Dad? Dad never patted me...
Are you talking about your other dad?
...Yes.
끄덕
sfx: nods
...Do you want me to sleep with you?
It's best to have somebody [illegible] you have nightmares.
You're really weird.
Did you share a bed with your other dad too?

Did something happen between the two of you?
What?
으ㅎㅎ
sfx: angry
I'm still angry but...
I don't have strength to argue with you.
So I'm going to stop.
An adult man living alone with a kidnapped girl...
When he returned you,
He didn't need to commit suicide...
It's weird. Were you in some kind of secret relationship?

Did he abuse you? Did you kill him?
Do you want me to punch you?
My dad was kind and caring. He apologized if he was wrong and he listened to me. He gave me everything I wanted... but then he killed himself...
One time, I was so angry with him I didn't eat breakfast. Dad got so worried he immediately apologized.
Meanwhile, I haven't eaten for three days and our dad hasn't even blinked an eye...
Maybe dad killed himself because... I wanted to be a music major.

You don't know anything about us...
Then... Why couldn't you live with your other dad...?
Why did you fight with him over something so small?
What's so important about music...?
Ever since you came back, three people have died.
Your dad who kidnapped you... Doctor Seung Joo who switched us... and... and...
So don't talk about us like that.
My real dad...
sfx: grabs



Is that man actually your real dad?
...What?
The man who killed doctor Seung Joon.
You said... he died because,
I came back.
He tried to kill me fo you.
At the time... I thought he was your real dad. It was the first time I realized how terrifying love could be.
sfx: slaps
찌익
Shut up! I only have one dad!

I'm the daughter of a CEO, not the daughter of some...
Some homeless murderer...
I see what you're doing. You're trying to connect me with that petty man because you want me out of this house.
And you want My Hyul to hate me too!
If you're so scared of being hated by him..
Then why did you do it?
I did it because he deserved it!
Go to sleep..
I have nothing else to say to you
I don't have the power to drive you away...
I'm not loved like you.

People think Du Gyeon Gwak was a better father than me...
Is she still starving herself...?
Dear... I want a divorce.
Divorce?
Just leave me.
I can't let Bo Eun pay for my sins.
A divorce will fix things,
And it'll minimize the damages of the company image

I can't do it.
Dear! I need to take responsibility for my own sins...
I'm... really sorry.
You and I are partners. That means we get to share each other's happiness, sadness, and scars...
I won't leave your for a mistake....
I can't do anything without you.
You met a woman like me and it only left scars.
Like the 'Be Il' and 'Yeon Ri' that Bo Eun told me...
...It's cruel to separate lovers!

Mu Hyul has been absent for five days.
수근 수근
And Bo Eun is absent as well?
sfx: chatter
Hae Ri Na!
Hmph!

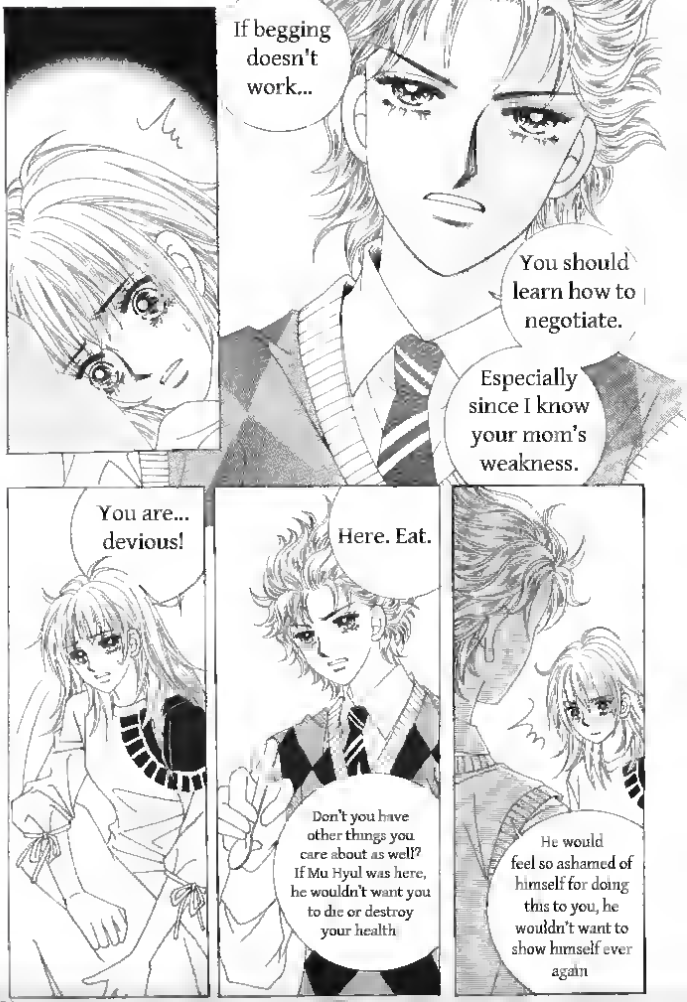
Are... you ignoring me?
Are we in a relationship where I should be acknowledging you?
sfx: kicks
Are you still sulking because I told your secret?
...I left Mu Hyul for you.
Get your hands off me. How dare you to touch me?!
sfx: fwoosh
sfx: whoosh

You left Mu Hyul for me? Thank you for your generosity... Now where is he?
You have to go to a garden to find pretty flowers like him.
Is Bo Eun still on that hunger strike?
Yeah, she's busy being a spoiled brat.
sfx: turns
Don't go near Hae Ri...
She gets angry even when hair touches her.
Are you so scared of Hae Ri that you're willing to watch Bo Eun starve?

You... what are you doing in my granddaughter's room?
What is this? Your hand is so skinny...?

sfx: ill
You're... not... Mu Hyul...
Don't look so disappointed. It's me, Jin Sol!
You should be thankful that I didn't run away after seeing your gaunt face.
Let go... of me...
Hae Rang Na! Can you warm up the Jeon Bok Jook I brought?
TN Rice porridge made of rice and abalone
Why? What are you going to do with it?
I'm going to feed Bo Eun. Do you see her?
Is this entire family just going to watch her starve to death?
I'm going to feed her and turn her into my ideal beauty.
So warm it up and bring it here!
I've never had to run an errand for somebody... but fine.
—I'm —not going to eat it.

Hey Bo Eun! Look!!
Will she even eat?
sfx: runs
I need to interview her before she turns into a ghost, so please give us some privacy!
sfx: shuts
Give it to me.
Do I need to force feed you?
sfx: Uhhh
...Don't... stop... me...
Eat.
...I don't ... want to...
Can't you give up this love for me?



If begging doesn't work...
You should learn how to negotiate.
Especially since I know your mom's weakness.
You are... devious!
Here. Eat.
Don't you have other things you care about as well? If Mu Hyul was here, he wouldn't want you to die or destroy your health
He would feel so ashamed of himself for doing this to you, he wouldn't want to show himself ever again

Is he actually feeding her?
Say ahhh~
Mom...
Jin Sol... give me the plate. I'll feed her...
I'm sorry for the late response, but I won't give you Bo Eun...

You can tell the whole world about what I did. I don't care anymore.
I'll get on my knees and apologize for everything.
Because it was my fault that Bo Eun got kidnapped.
...I'm going to visit your mother soon.
She didn't do anything wrong, but now we're separating her from the man she loves.
Unless she is truly in love with you...
...Don't force her to pay for my sin anymore.
I will take responsibility...

Please eat, Bo Eun...!
If you stay away from Mu Hyul, I promise to set everything right.
sfx: cries
I won't stay away from him... I won't eat...
sfx: opens
Are you trying to punish me?
Why are you trying to negotiate with her?
Tell her you'll do anything- Hae Ri, tell her you'll give up on Mu Hyul!
You think mom should give up...?
They're in love with each other. Why are you worrying yourself over unrequited love?

Dad! Don't pressure Hae Ri!
Hmph! Whose mom sare you?
Mom is starting to think like grandfather...
I don't think can win....
I'm going to find another man...
So... Bo Eun...
Please eat If you starve to death, grandfather is going to beat me to death with his cane...

sfx: blushes
That... how could she say...?!
If you're sorry, then die.
H-Hae Ri. You don't have to force yourself to say these things.
It's pointless.
Bo Eun shouldn't die over my petty crush
Hae Ri...!
I'm sorry. Thank you.
Stop being so nice. Just eat something and enjoy your victory.

Che! How could Deok Il suddenly cancel the boat party? I was looking forward to it....
It was going to be huge... but now he's only inviting one girl...
It's probably Hae Ri.
Of course it's Hae Ri.
But isn't Hae Ri in love with Mu Hyul?

Mu Hyul's family is bankrupt. Who'd want to be with him now?
sfx: chatter
So Mu Hyul dropped out of school?
That's a shame. His life is totally destroyed now.
Somebody saw Mu Hyul selling some stuff in front of the women's university.
But he used to be a prince. How could he do something so low class?
Also, his family is fighting with Hae Ri's.
I heard that SS Company pressured the hospital into bankruptcy.
Which university?
Jin Sol Ryu?!

TACK

Why are you covering yourself? What are you ashamed of??
Take that off, now!

It's rude to avoid eye contact with the customers.
When you're up too high, you fall down hard, but don't let that get you down. Remember to always be humble.

Wow~ Look at that guy!
He's so beautiful.
TAC
I see you've been busy, Mu Hyul Choi!
Did you forget about Bo Eun?
Dad will be fine. He'll work hard and rise back up again, but for now, you need to take care of the finances.
